1 The above un-audited results for the quarter ended September 30, 2022 have been reviewed by the Audit committee and approved by the Board of Directors at their respective meetings held on November 14, 2022.

Loss during the quarter is mainly due to finance cost incurred for availing project finance for development of Phase II Residential complex at Majiwada, Thane and take over charges for change of banking facilities for Resort Division.

3 As a result of steep increase in international prices of raw materials (Rock Phosphate and Sulphur), sanctioned working capital limits are not sufficient to utilise maximum production capacity.

4 During the quarter, there was addition in the resort rooms, kitchen, banquet hall, gym etc which results in higher amount of depreciation.

5 The figures for the previous periods have been re-grouped/re-arranged wherever considered necessary.
